

WEATHER SEAL

V30-0109, V30-0113,
V30-0135, V30-0202, V30-1333

Installation Instructions

Thank you for purchasing the TACO Marine Weather Seal! As a family-owned and operated business since 1959, we take pride in offering the highest-quality, innovative products with excellent customer service. We stand behind our products 100 percent. If you have any questions about this mount or installation, please contact us by visiting tacomarine.com/contactus.

1. Clean area of all contaminants.
2. If applicable, peel off the release liner carefully.
Make sure it does not remove the adhesive with it.
3. Avoid stretching during installation.
4. Recommended temperature is between 60°F & 100°F.
5. Press down firmly to assure a strong bond.
6. To clean, use a mild solution of soap and water.
7. Use protectant/lubricant periodically to keep pliable.
